

It's a great day to be a DRAGON!

Sage Creek Elementary
Community Council Meeting

Minutes

December 3, 2019

1. **Attendance:** Jen Grant was invited to attend, Amanda Wright was excused.
2. **Review of last month's minutes:** Dewey Houston nominated to accept November minutes, Sydney Condie second.

3. **School Improvement Plan/Budget:** The Legislation voted to give schools money earmarked to a specific item. This money is referred to as TSSA and targeted for Professional Development. The SCC is responsible for placing that money where needed. Principal Hansen proposed to remove the current goal 3 (Fine Arts) and 4 (School Culture) due to the change of policy from the state. The new policy states that SIP Goals do not need to be included if they do not receive money from the Trustlands. In the current School Improvement Plan, no money is attached to goals 3 and 4. The action plans under each of these goals are qualities that are important to parents. Sage Creek will continue to apply these goals, however, they will no longer be tracked and/or monitored.

No decision was concluded as the meeting adjourned. Parents will share this information in the community and gather data. This discussion will continue at the next month's meeting.

4. **Other items:** Mrs. Pam Turley will be invited to present Internet Safety, either in January or February.

5. **Questions, concerns or comments?**

Emergency Procedures was clarified as to student/teacher responsibilities for lock down, lock out, evacuation, earthquake, and fire.

❖ January 6, 2020 will be the next Community Council meeting.
