- ❖ **Review of January minutes:** January minutes were reviewed by members. Julie Wood motioned to approve, and Amanda Wright second.
- ❖ **School Improvement Plan/Budget:** Principal Hansen reviewed and outlined the 2019-2020 budget that was established last year. Due to the new School Improvement request, schools should only list goals that are tied to Trustlands money.

Goal 1- Language Arts- The action plan(s) that require monies and request to stay as part of the Language Arts goal are the following:

1. Additional Teacher
2. Reteach/Enrich
3. Literacy Coach and Coaching Cycle
4. Technology
5. Summer Reading Program
6. Other Professional Development Opportunities
7. Leveled Library

As curriculum maps, common assessment, RISE Training, Cross-age tutoring, and faculty book study are important to our school, they will continue to be part of Sage Creek's school goals and mission.

Goal 2: Math Goal- The Action Plan(s) that require monies and request to stay part of the math goal are the following:

1. Additional Teacher
2. Reteach/Enrich
3. Comprehensive Mathematic (CMI) Instruction
4. Technology
5. Other Professional Development Opportunities

As Community Council members, we recognize the equal importance of curriculum maps, common assessment, and RISE training and would like these to remain as part of the Sage Creek School goals and mission.

Goal 3- Fine Arts and Goal 4- School Culture Goal: are not tied to Trustlands monies and is proposed that these goals get removed from the School Improvement Plan.

The meeting was adjourned at 12:25. The Community Council will continue the discussion regarding 2020-2021 school year budget.

❖ March 3, 2020 will be the next Community Council meeting.
