

Sage Creek Elementary
Community Council Minutes
November 7, 2017

All of the Community Council Members were present for the November meeting.

Sydney Condie reported highlights from the meeting held on Oct 5, at MMHS with the Superintendent. Superintendent Rick Nelsen answered and clarified questions and concerns about the Bond for the existing High Schools and upcoming Middle Schools. It was a productive and worthwhile meeting. Superintendent Nelson will hold another Community Council meeting in February.

Principal Alison Hansen conducted the Community Council training power point. The goal of the Community Council is:

- 1) Provide and follow through with a School Improvement Plan
- 2) Propose and budget Trustlands money
- 3) Advise school administration on local school issues
- 4) Develop a child access safe routing plan

The role and expectations of Principal, Chair, Vice Chair, Facilitator, and Members were explain and discussed.

December 5, 2017 will be the next Community Council meeting. It will be held at 11:45 a.m. in the Sage Creek Elementary conference room.
