Dear Clifford

By Megan Carbine

Hey kids! This is Megan. I am best friends with Clifford. I am going to be asking Clifford some questions for him to answer. We have 3 questions for Clifford today. Here they are.

Q. I can't wait to go into a higher school. And I don't have any older siblings so I have never gone inside a Jr. High. What is it like?

A. You can choose some of your classes. So you can do what you want and you don't have to go to where you are told to because you aren't told where to go. You have lockers to keep your stuff in and you have to go into many different classes so you have many different teachers. It is very fun.

Q. I keep getting in trouble in class and I feel like a horrible kid. What do I do now? I feel so lost.

A. I think that you should go talk to a teacher and find out what the problem is. Once you

figure it out then try your best to fix that problem.

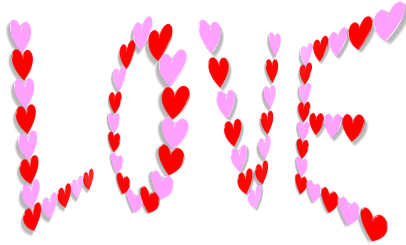

Q. I love singing but when I sing in class it bothers other people and I get in trouble. What should I do?

A. Maybe you should make up songs about the thing that you are learning about and talk to your teacher to see if you could teach it to your classmates so that other students could understand what you are learning and you could have a chance to sing. Then you could also sing during recess. Have fun singing!

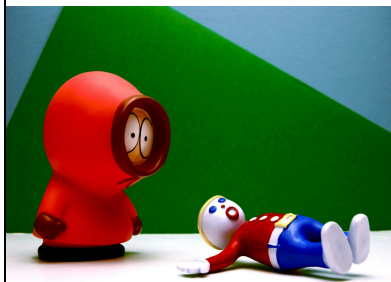

Those are all the questions that we have today. Make sure that if you have any questions for clifford put it in the basket by Mrs. Tippetts' office in the front of the school. You could do it anytime during school.
