February 2, 2021

It's a great day to be a
DRAGON!

- ❖ **Attendance:** Principal Mike Johnson, Jennifer Grant, Kelli Giles, Sydney Condie, Rhianna Parkinson, Stacy Uriona, and Julie Wood were in attendance.
Co-Chair Julie Wood led the meeting.

- ❖ **Internet Safety, Guest Pam Turley-**

Ms. Pam Turley discussed the responsibilities of Digital Citizenship concerning time and safety. Each class is taught internet safety in their computer classes. The following were discussed as using technology in the classroom.

- Students should **never** be alone with a device outside the sight of a teacher (hallways). Students should **never** surf the web. All websites should be assigned by the teacher or come from an approved list.
- It's good practice to monitor and walk around the room when students are on devices.
- Make sure that time on technology is useful and not a substitution for a worksheet.
- Free time on technology is okay as long as it is occasionally and on approved sites.

Pam is an **amazing** resource to help you bridge technology with content!

- ❖ **Other items:**

PTA discussed not having White Ribbon Week.

- ❖ **Questions, concerns or comments?**

- ❖ **March 2, 2021 will be the next Community Council meeting.**
